HEADTEACHER'S MESSAGE BOARD

In this Sunday's Gospel, Mark 13:24-32, Jesus teaches about the signs of the coming of the Son of Man. Jesus offers his disciples signs to look for that will indicate that the coming of the Son of Man is near. His words and images draw upon Old Testament imagery. Next, Jesus offers the lesson of the fig tree, a parable that teaches that if one knows how to read the signs, one can be prepared for the end times. Jesus also teaches, however, that no one knows when the end time will come, except the Father. In the verses that follow this reading in Mark's Gospel, Jesus continues to warn his disciples to be on watch for this end time.

Jesus' words are not spoken to frighten his disciples, nor should they frighten us. Rather, they are offered to prepare us for the changes we will experience during our lifetimes and at the end times. Our consolation and hope are found in the lasting nature of Jesus' words and God's never-ending love for us.

Heaven and earth will pass away, but my words will not pass away.

"But of that day or hour, no one knows, neither the angels in heaven, nor the Son, but only the Father."

Holly Class Display for Remembrance 2021

They shall grow not old, as we that are left grow old: Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning. We will remember them.

I am very proud of all our pupils who gathered together yesterday to pray for those who have died fighting so others may enjoy freedom, peace and equality. We pray for an end to conflict and wars in our world today.

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May they rest in peace. Amen

- Are you worried about the mental health or emotional wellbeing of your child?
- Would you like to hear from the Educational Psychology Team what you can do to support your child, and where else you can access support?

Bradford Educational Psychology Team are FREE workshops for parents and carers, via the Mental Health Champions project, which is commissioned and funded by the Clinical Commissioning Groups in Bradford.

Parents and carers are eligible if a child/young person (up to age 18) in their care lives in the Bradford area.

The dates of the next round of sessions are:

- Monday 22 November, 1-2:30pm
- Monday 29 November, 1-2:30pm
- Tuesday 30 November, 9:30-11am
- Tuesday 7 December, 9:30-11am

The topic for the sessions this term is 'Understanding and Managing Anxiety'

Due to the ongoing coronavirus situation, we are holding our events this term online, via Microsoft Teams.

Sessions may be cancelled if minimum numbers are not met, and any parents/carers booked on to sessions that are cancelled will be offered an alternative.

Please note that these events are group sessions, intended to offer information and training for parents/carers, but we are not able to offer any individual advice via this forum.

Booking details: To register interest or book a session, please contact Charlotte McLaughlan on 07816 089217 (before 12 noon please) or email charlotte.mclaughlan@bradford.gov.uk. Once interest has been registered, log in details and passwords will be sent.

*Please note: All sessions are for parents and carers only, not school staff or professionals unless they are attending in their capacity as parent of a young person living in Bradford

Parent resources:

- [GOV.UK Domestic abuse: how to get help](#) provides guidance, helplines and resources and is also available in translated, easy to read versions [HERE](#)
- Ask for ANI is available for those experiencing domestic abuse and need immediate help, at participating pharmacy. 'ANI' stands for **Action Needed Immediately**. If a pharmacy has the 'Ask for ANI' logo on display, it means they're ready to help. They will offer a private space, provide a phone and ask if the person needs support from the police or other domestic abuse support services.

Young people resources:

Young people can also experience domestic abuse within their own intimate relationships. This form of peer-on-peer abuse is sometimes referred to as 'teenage relationship abuse'. Depending on the age of the young people, this may not be recognised in law under the statutory definition of 'domestic abuse' (if one or both parties are under 16).

- [The Children's Society: Domestic Abuse](#)
- [The Children's Society: Abusive Teenage Relationships](#)

However, as with any child under 18, where there are concerns about safety or welfare, child safeguarding procedures should be followed and both young victims and young perpetrators should be offered support.

Free Online Safety Guide

What parents and carers need to know about Netflix

The planet's most popular subscription streaming service, Netflix currently offers more than 500 shows and almost 2,500 films for users to choose from. Many of these, of course, are squarely aimed at an adult audience but are nevertheless accessible to children through a parent or carer's profile unless preventative controls have been set up.

This was the problem behind the recent furore around *Squid Game*, a violent South Korean drama featuring deadly playground games which caused many unsuspecting adults to mistake it for a children's programme. Our #WakeUpWednesday this week brings parents and carers a timely reminder of the potential risks related to Netflix – and suggestions for avoiding them.

[Read on to access your free guide and catch up on the latest online safety news ...](#)

The sheer number of Netflix subscribers makes the platform an appealing target for hackers looking to harvest personal data from unprotected accounts, while the incredible breadth of content makes binge-watching and screen addiction potential problems, too. Our free guide reminds parents and carers of the essential ways to keep Netflix safe for their children to watch.

ANTI-BULLYING WEEK 2021
15th – 19th November

ODD SOCKS DAY 2021
Monday 15th November

#ANTIBULLYINGWEEK

Kindness is more important today than it has ever been. The isolation of the last year has underlined how little acts of consideration can break down barriers and brighten the lives of the people around us. This is one of the reasons, that 'One Kind Word' has been chosen as the theme of Anti-Bullying Week taking place from 15 to 19 of November 2021.

Odd Socks Day

All you need to do is wear odd socks! It's a great way to celebrate what makes us all unique in Anti-Bullying Week! It will be held on Monday 15th November 2021.

Have a lovely weekend and see you all Monday 15 November, at 8.45am
