HEADTEACHER'S MESSAGE BOARD

Holy Week

A huge thank you to the pupils and staff, for leading our daily whole school Liturgy & Prayer this week. The children have led us all with such reverence and thoughtfulness.

This Thursday, is Maundy Thursday and we focus on Jesus, the Servant King, who teaches us now, as He did then, with the first disciples, the importance of loving actions as an expression of our love and belief in God. This Friday, is Good Friday when we focus on the final hours of Our Lord's Passion and Crucifixion. I am grateful to all the staff for their support to help the children participate, lead and understand the significance of this holy season.

'If you love me, you will keep my commandments. I shall ask the Father, and He will give you another Advocate, to be with you forever.... Anybody who receives my commandments and keeps them will be one who loves me; and anybody who loves me will be loved by my Father, and I shall love him and show myself to him' Jn 14:15-21. We can take comfort that the Holy Spirit dwells here among us and within us, to help us live as true friends of God. May every blessing be upon you, your family and those, whom you love, at this holy time.

Liturgy's this week

Beech class told the story of Jesus truly being the Servant King by detailing events from The Last Supper. Lime told the story Garden of Gethsemane, Jesus, before Pilate & Crowds turn against Jesus. Holly class told the story Way to Calvary, Jesus' Passion & Crucifixion.

Easter Day

We will celebrate Jesus, the Risen Lord on Wednesday 27 April. There will be a competition for the best decorated boiled egg and a special lunch prepared by Emma and the team. The children will enjoy additional art and craft activities to celebrate Easter.

Fundraising for Catholic Care

As part of Lenten Almsgiving, we raised funds for Catholic Care; an organisation dedicated to working with the most vulnerable members of the community and families' in need. Each child participated in their own class events. Thank you for your donations we share the amount raised in our next Newsletter.

SAT's Meeting

Thank you to parents of Year 6 pupils for attending the meeting on **Monday**, to discuss KS2 Assessments w/c 9th May 2022. We hope you found it informative. If you have any further questions, please do not hesitate to contact Mr Clayton.

DON'T MISS OUT ON THE LAST MATCH OF THE SEASON

Bradford City Football Club have match day tickets at an exclusive price of £2.50 per ticket for the following matches

Bradford City vs Carlisle United Saturday 7 May 3pm kick off.

If you would like to attend, please see Mrs Gadd at the school office before noon on Friday 29 April and confirm how many tickets are required along with your full payment in cash. Thank you.

We need to order a minimum of 10 tickets

Water Safety

With the Easter and May Bank Holidays fast approaching, the importance of raising awareness around water safety continues to remain of paramount importance.

Lifeboats

GIVE YOURSELF A FLOATING CHANCE

The average temperature of British and Irish coastal waters is 12–15°C. That's cold enough to cause cold water shock.

If you're in trouble in cold water:

- 1 Fight your instinct to thrash around
- 2 Lean back, extend your arms and legs
- 3 If you need to, gently move your arms and legs to help you float
- 4 Float until you can control your breathing
- 5 Only then call for help or swim to safety

FOR THOSE WHO FIND FLOATING A LITTLE HARDER:

- clothing can provide natural buoyancy for the first few minutes.
- stick to gentle movement to help you float.
- practice your floating technique in a pool.

WHEN THE SHOCK HAS PASSED, LOOK FOR SAFETY. OPTIONS ARE LIKELY TO INCLUDE:

- swimming to safety – parallel to the beach if you're caught in a rip current
- calling for help
- finding something to hold onto to help keep afloat
- thinking about ways to preserve body heat until help arrives.

RESPECT THE WATER

The RNLI is the charity that saves lives at sea

pupils and I am sure you will extend your appreciation to them for their contribution to St. William's School.

I want to thank you, also for your continued support. The next term is a very short one – 11 school weeks left to the end of this academic year! There are numerous events planned to make it exciting for the children and there will be an opportunity for parents to visit their child's class and see them learning Maths during next term. Of course, we have the transition for Year 6 pupils to High School and as well as pupils, remaining in St. William's, transitioning to their new classes. More details will follow nearer the time.... Keep up to date via Class Dojo Messages and the weekly newsletters!

RESPECT THE WATER WHEREVER YOU ARE

What do you do if you see someone in trouble in the water?

All too often, people's first instinct is to go into the water. As a result, too many people drown trying to save others or their pets.

If you see somebody in danger of drowning at the coast, **call 999 or 112** and ask for the coastguard straight away.

Look for something that floats and throw it out to them.

Help them stay calm and encourage them to float.

HELPING YOU TO STAY SAFE

AT THE BEACH

- Go to a lifeguarded beach and swim between the red and yellow flags.
- Before going into the sea, consider your ability and the conditions; swimming in the sea is very different to swimming in a pool.
- When you enter the water, take time to acclimatise to the temperature.
- Have someone watching you from the beach and make sure they are able to call for help.

NEAR OPEN WATER

- When you're near open water, keep away from the edge; stick to designated paths and look out for safety signs, and keep clear of uneven, unstable or slippery ground.
- Avoid walking alone or at night, and always carry a means of calling for help.
- If exploring the coastline, always get local advice on the tide to make sure you don't get cut off.

ON THE WATER

- Carry a means of calling for help in case you do end up in trouble.
- Wear the appropriate flotation device, such as a lifejacket or buoyancy aid. It could save your life.
- If you are going out alone, tell someone ashore about your plans and what time you expect to be back.

Thank you!

I would like to take this opportunity to say a **HUGE THANK YOU** to all the staff for their continued hard work to help the children develop as individuals and progress with their learning. It has been a very successful term and there are so many things to give thanks for and celebrate. The staff are extremely generous with their time and talents to support all our
