HEADTEACHER'S MESSAGE BOARD

The Feast of the Sacred Heart of Jesus.

Today is the Feast of The Sacred Heart of Jesus and being one of the most revered symbols for Catholics, it represents Christ's love for mankind through his sacrifice on the cross for human sin. Christ's suffering is represented with a knife going through the heart and a crown of thorns surrounding it.

Jesus reveals His heart, burning with love for each and every human being; pierced and crucified, offering salvation and mercy — Jesus' heart longs for us to offer our love and devotion to God.

Let us pray:

*O my God, I can live by your Grace, I can rest on your Sacred Heart!
O Heart of Jesus, treasure of tenderness, You Yourself are my happiness, my only hope.
Amen.*

Our non-school uniform day, 'wearing red and white' to celebrate this special feast day, is also to support the work of **Mark 10 Mission** who provide engaging resources to help spread the Word of God for children and young people of our diocese. Thank you for your donations of £1 or 50p towards the support.

Our pupils continue to put their faith into action:

St. William's Community Event & Gala

Please save the afternoon of Friday, 8th July 2022 to join us for a community event to celebrate and enjoy together. Local community organisations will be joining us to share the services they provide families e.g. Early Help, Catholic Care, Café West. There will also be a number of organisations for children e.g. Bradford North Scouts and the Bradford, Keighley & Skipton Disability Athletics as well as a Street Dancer who will be performing with children from school! Each Class will be involved, raising money through their leadership of games and a raffle stall. We want to come together in a way we haven't been able to in the last two years, please come along with your family and friends to support us! **THANK YOU** in anticipation of your support! If you can support us by donating chocolate items for Beech Class Tombola Stall and donated bottles (bubble bath, sauces, non-alcoholic drinks) will also be gratefully received! **Helpers are needed too....don't be shy, offer your services if you can!**

Summer School Uniform – Please make sure pupils look like they belong to St. William's School, including black school shoes (no trainers). Thank you!

Orders for uniform for September 2022

If you would like to place an order for new school Jumpers £10, Cardigans £11, T-Shirts £7, Book Bags £7 and Pump Bags £5 for next year, please contact Mrs Gadd for an order form and return to school with payment by 1 July 2022. Order forms can also be found displayed under the sheltered area, near Beech and Oak Doors.

Summer Weather

Please can you put your child's name in their cardigans, jumpers, PE kit etc. so these can be saved and returned to pupils if they leave them at school. Please ensure your child has a water bottle each day and as the weather is unpredictable, please make sure your child brings a coat to school. As the sun starts to get warmer, please apply sun cream before school and provide a hat for break times. We try to guide pupils to shaded areas at playtimes/lunchtimes but wearing a hat and sun cream will also help to protect the children from sun stroke.

Reading

Reading is a fundamental and an essential life skill. As a school, we place great emphasis on this and your child, regularly reads with adults in

school. Pupils are encouraged to develop a love for reading and all class teachers read aloud to their classes every day. Children independently choose books from our school library areas and we ask you for your continued support to encourage them to read at home and share their reading experiences with you. You are welcome to write in your child's reading record.

Keeping children safe online

Do you know who your child is engaging with online? Is an adult in the same room as your child when they are playing games and 'chatting' to other participants? Do you talk to your child about online safety and are you sure they know what to do if they see an image that causes them distress or makes them feel uncomfortable? Please visit the National Online Safety platform to help you keep your son or daughter safe online.

What parents need to know about esports

Some 73 million people watched the League of Legends 2021 World Championship Final – which, for context, is around three-quarters of the total audience for that year's NFL Super Bowl. So esports is demonstrably growing in popularity and credibility – in fact, video gaming will feature in next month's Commonwealth Games as a pilot scheme, with a view to becoming a full medal event for 2026.

If we're to see future generations of youngsters being encouraged to become esports competitors (instead of, say, footballers, swimmers or cricketers), then parents, carers and teachers will be required to become familiar with the possible pitfalls. Our #WakeUpWednesday guide this week brings you the need-to-know basics of professional esports.

Warning: No Holidays in Term Time

Please book holidays for when school is closed. We do not authorise any holidays in term time **and fines will be issued for taking your child/children out of school during term time. Please be mindful of the travel restrictions in place and the need to self-isolate after visiting certain countries.**

Attendance and Punctuality is a HUGE part of Keeping Children Safe

Staff in school have a **legal duty of care** for all pupils in school and **it is the law that children attend school every day**. Parents/carers must contact school on the 1st day of their child's absence by either telephoning 01274 545743 or by text message on 07624806369. We expect pupils **to arrive on time, ready for learning**. Punctuality is an essential life skill needed for the world of work. **Please understand that there is a child-care fee of £1, per child, for every 5 minutes pupils are collected late at the end of the school day. Thank you for your support to be on time.**
